

THE 10' GEMINI

Although most often used for smaller gatherings or as a supplemental facility at larger events, the versatile Gemini can serve in many other capacities.

Its compact size allows it to be placed on the property of most private homes, so it's able to be used as an auxiliary restroom during home renovations or plumbing repairs. As with all Norsic luxury units, the Gemini is tastefully decorated and furnished to provide all the comforts of home in its fully equipped, private cabins.

In certain situations, Gemini can be used as a washroom for catering personnel, or as a private, VIP restroom where the other guests are accommodated elsewhere.

See specifications on the overleaf.

The 10' Gemini

Classic Gemini interior showing sink vanity.

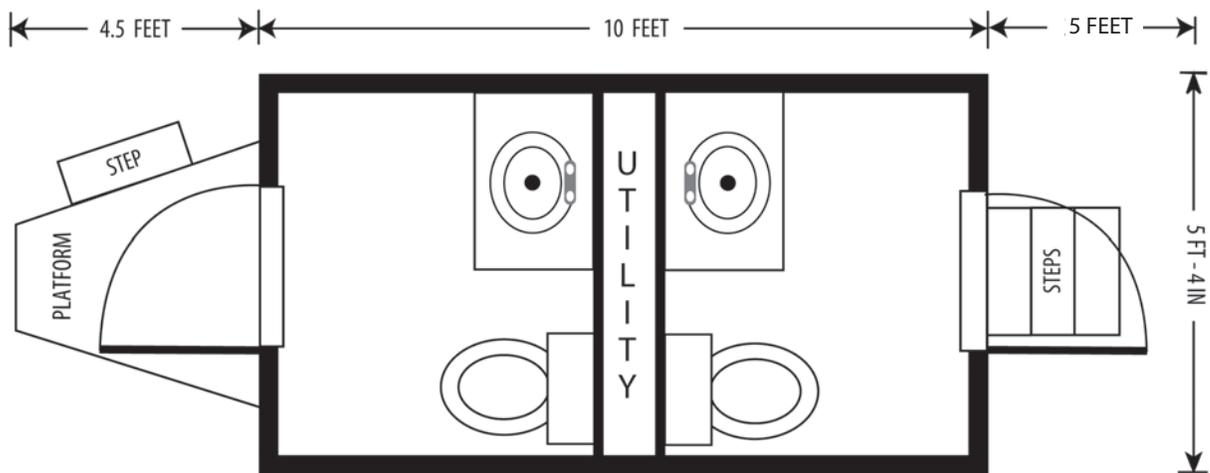

New Gemini interior.

The Gemini is easily placed.

The Gemini is easily maneuvered in situations where space may be limited and; perfect for applications on the grounds of smaller venues. However, its small size doesn't keep it from delivering full-sized service and luxury. The Gemini is one of our most popular models.

Accommodations	2 private cabins, each with 1 commode and 1 sink with lighted make-up mirror.
Capacity	The number of people served will vary according to the length and nature of event.
Electrical Power	The Classic operates on two separate 110 volt, 30 amp circuits (on separate breakers). The New Gemini uses two separate 110 volt, 20 amp circuits. Source should be within 50' of unit (recommended).
Electrical Connections	Classic Gemini: - 2 NEMA L5-30 receptacles. New Gemini: - 2 Nema L5-20 receptacles.
Generator	Required where adequate power is not available.
Water Supply	Unit has a standard garden hose connection. Water access within 50 feet of the unit is strongly recommended. Hook-up requires a spigot with compatible connector and functioning turn-off valve.
On-Board Water	The Gemini can be delivered with 150 gallons of fresh water for hand washing and flushing commodes. There is an additional charge for this option.
Auxiliary Water Supply	Required where water supply, or adequate water pressure (30-60 psi), is not available (additional charge).
Additional Fees	Relocation of unit after initial delivery. Optional amenity package, flowers. When required: Electricians, Plumbers, Attendants
