

THE 16' PRESTIGE

At just 16 feet, one might imagine that the Prestige is a somewhat utilitarian unit, whereas nothing could be further from the truth. Take a look on the inside and see why this modestly sized portable is perhaps the most luxurious unit the industry has to offer, today. As discreet and unobtrusive as it is on the outside, the Prestige is impressive on the inside, with 3 private rooms, state of the art appliances and custom-built cabinetry. Your guests will certainly appreciate the comfort and styling of this truly special facility.

Optional amenity packages are available.

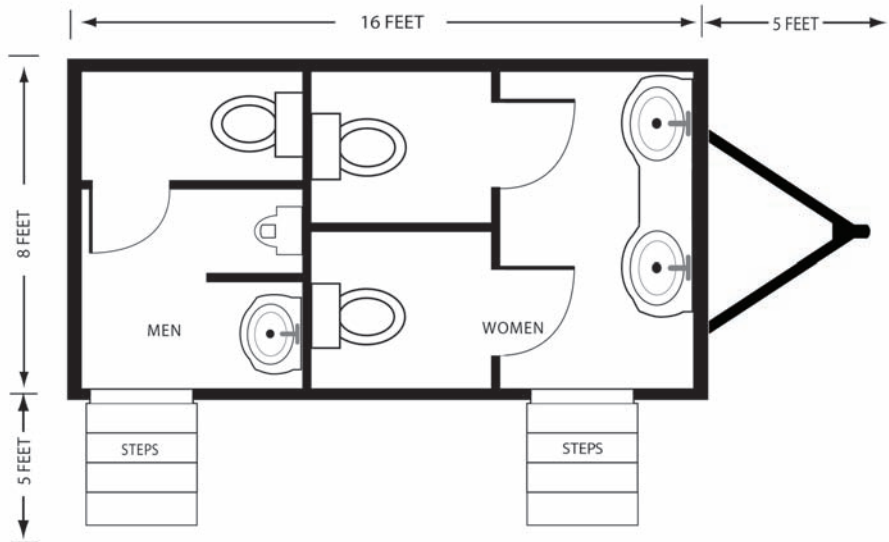

See specifications on overleaf.

The 16' Prestige

The combination of modern technology and traditional craftsmanship makes the interior of the Prestige the epitome of luxury and functionality. The custom crafted cabinets, counter tops, mouldings and frames for the beveled mirrors and the no-touch faucets and flushes all tell your guests that you've gone the extra mile to make them feel welcome and to make your event a memorable one.
