

THE 21' OASIS

This unit, is one of the very latest in a long line of Oasis models, and it represents a new generation of groundbreaking technologies developed by its manufacturer. The Oasis line has always been on the cutting edge of new developments in the industry and this model is the beneficiary of many years of innovative engineering and design. With a simple and unobtrusive exterior, on the inside, the Oasis delivers maximum functionality in a clean, yet elegant package..

Completely climate controlled and wired for sound, the Oasis boasts many of the same amenities that are found in the largest and most expensive units.

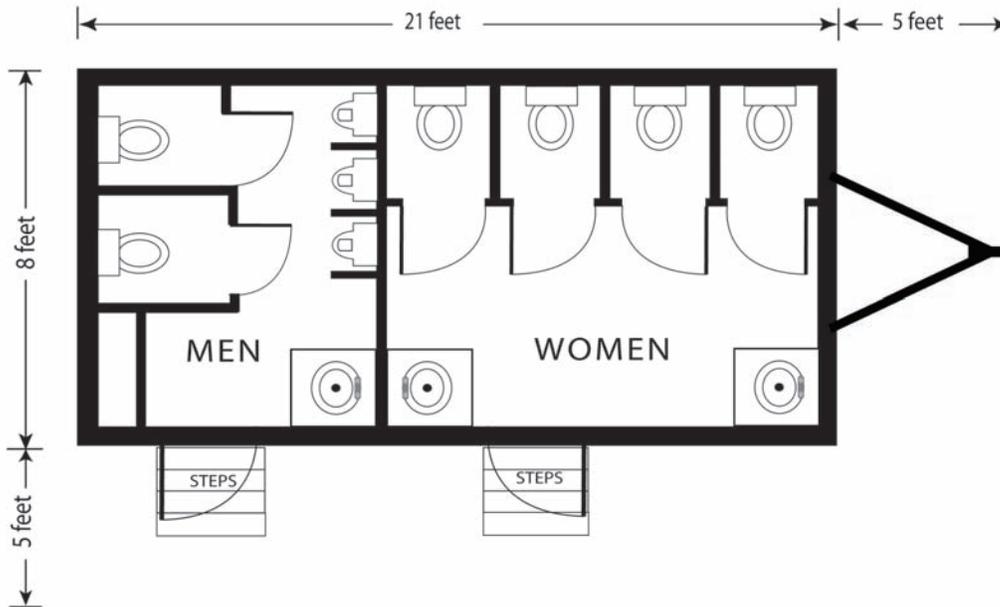

See specifications on the overleaf.

The 21' Oasis

Diffused lighting, an attractive color scheme and whimsical, vintage prints offer your guests a warm welcome. The Oasis takes the traditional stall to a new level of privacy while adding another element of elegance by providing a solid floor to ceiling doors in place of the standard, partial stall closures. Including the three, grooming areas, the Oasis is can serve up to twelve people at any given time.

Accommodations	Ladies side: 4 stalls with commodes, 2 sinks with make-up mirrors in common area Men's side: 2 stalls with commode, 3 urinals, 1 sink w/ grooming mirror in common area.
Capacity	The number of people served will vary according to the length and nature of event.
Electrical Power	Unit operates on two separate 110/125 volt, 20 amp circuits. These circuits must be on separate breakers and not used to power any additional equipment. Power source must be within 50 feet of the unit.
Electrical Connections	Unit has two NEMA 5-20 plugs.
Generator	Required where adequate power is not available at the location.
Water Supply	Unit has a standard garden hose connection. Water access within 50 feet of the unit is strongly recommended. Hook-up requires a spigot with compatible connector and functioning turn-off valve.
Auxiliary Water Supply	Required where adequate water pressure (30-60 psi) is not available.
Additional Fees	Relocation of unit after initial delivery. Additional personnel: Electricians, Plumbers, Attendants etc.
