## 20 FT ENVOY

Another of the solid workhorses of the fleet, this unit is built for efficiency, but with aesthetics prominently in the mix. Heavy steel stairs, landings and handrails leading to the mens' and ladies' entrances provide sturdy footing for your guests as they enter and exit the unit. The 20' Envoy is climate controlled and offers designer furnishings and fixtures. Private stalls with modern, flush commodes, vanities and sinks with hot and cold running water and convenient urinals with privacy separators are just a few of the Envoy's features. Large, lighted makeup and grooming mirrors allow your guests to freshen up before returning to the festivities.

Total Footprint	L 25' x W 12' x H 12' including stairs, trailer tongue and hitch,.
